

To All Dedicated Citizens of Ulster

You can serve your community, your state and your country to help keep our nation great by serving as an election inspector.

The Ulster County Board of Elections invites you to get involved and become a proud worker in the most foundational aspect of democracy — the Freedom to Vote.

The only requirements are that you are a registered or pre-registered voter in Ulster County and pass a basic 4-hour Election Inspector training course each year.

If selected, you will be paid for your day of service.

Our goal is to develop the best electoral process in NYS. You can help us reach that goal.

Commissioners of Elections

“Although the hours may seem long, the kind words from the public thanking the inspectors for all we do to ensure the rights of the public to be able to vote is well worth the time we put in.” -Elaine

“My favorite part of being an inspector is the teamwork and friendships we have maintained each election season. We even set up our potluck menu before Election Day!” -Cindy

“I feel a real sense of pride in assisting all eligible voters in casting their ballot. It is rewarding knowing we are an essential part of the election process.” -Patty

“Before working as an inspector, I had no idea how well the voting system in Ulster County worked, and how very seriously each inspector takes their responsibilities.

I have a new respect for the voting process we have, and when anyone unfamiliar with it questions me concerning the validity of voting in Ulster County, I gladly assure them that we are fine, and our votes are safe.” -Kathy
