Instructions  
Mark the square above the name of your choice. To vote for a candidate whose name is not printed on the ballot, mark the square to the left of the "write-in" and print the name clearly, staying within the box. Any mark or writing outside the spaces provided for voting may void the entire ballot. The number of choices is listed for each contest. Do not mark the ballot for more candidates than allowed. If you do, your vote in that contest will not count. If you make a mistake, or want to change your vote, ask a poll worker for a new ballot. Instructions for voting on question or proposals: To vote on a question or proposal, mark the rectangle next to your choice. If you make a mistake, or want to change your vote, ask a poll worker for a new ballot. If you received your ballot by mail and made a mistake, or want to change your vote, call the Board of Elections at 845-334-5470 for instructions on how to obtain a new ballot.

Instructions  
Mark the square above the name of your choice. To vote for a candidate whose name is not printed on the ballot, mark the square to the left of the "write-in" and print the name clearly, staying within the box. Any mark or writing outside the spaces provided for voting may void the entire ballot. The number of choices is listed for each contest. Do not mark the ballot for more candidates than allowed. If you do, your vote in that contest will not count. If you make a mistake, or want to change your vote, ask a poll worker for a new ballot. Instructions for voting on question or proposals: To vote on a question or proposal, mark the rectangle next to your choice. If you make a mistake, or want to change your vote, ask a poll worker for a new ballot. If you received your ballot by mail and made a mistake, or want to change your vote, call the Board of Elections at 845-334-5470 for instructions on how to obtain a new ballot.

Instructions  
Mark the square above the name of your choice. To vote for a candidate whose name is not printed on the ballot, mark the square to the left of the "write-in" and print the name clearly, staying within the box. Any mark or writing outside the spaces provided for voting may void the entire ballot. The number of choices is listed for each contest. Do not mark the ballot for more candidates than allowed. If you do, your vote in that contest will not count. If you make a mistake, or want to change your vote, ask a poll worker for a new ballot. Instructions for voting on question or proposals: To vote on a question or proposal, mark the rectangle next to your choice. If you make a mistake, or want to change your vote, ask a poll worker for a new ballot. Instructions  
Mark the square above the name of your choice. To vote for a candidate whose name is not printed on the ballot, mark the square to the left of the "write-in" and print the name clearly, staying within the box. Any mark or writing outside the spaces provided for voting may void the entire ballot. The number of choices is listed for each contest. Do not mark the ballot for more candidates than allowed. If you do, your vote in that contest will not count. If you make a mistake, or want to change your vote, ask a poll worker for a new ballot. Instructions for voting on question or proposals: To vote on a question or proposal, mark the rectangle next to your choice. If you make a mistake, or want to change your vote, ask a poll worker for a new ballot. If you received your ballot by mail and made a mistake, or want to change your vote, call the Board of Elections at 845-334-5470 for instructions on how to obtain a new ballot.
